

We Create

A group for adults who want to take part in free creative activity to help them feel good and stay connected.

Allotment Art

In partnership with Flourish, we will be meeting at their new allotment in Conisbrough, planting seeds and getting creative at the same time.

Thursday afternoons from July 22nd 1.30-3pm.

Expect music, art and more. Free, friendly and absolutely no experience necessary.

The allotment is just off the junction of Leslie Avenue and Gardens lane, beside the Rowena Academy. Look out for the sign on the gate! The closest postcode is DN12 3JY. The 221 bus stops close by.

It is a 1 minute walk down a track from the road. The track has uneven ground. You can arrange drop off directly beside the allotment. The bed we are working on is a raised bed, with ample space for wheelchairs, although the ground is a little uneven.

There is a basic toilet facility onsite.

There is space to socially distance and hand sanitiser will be available.
